

## Prayer to Saint William

O Saint William, our heavenly intercessor, we thank you from the bottom of our hearts for all the blessings we receive through your prayers. May you be with us as a powerful intercessor in all the difficult times and bitter experiences of our lives.

May you intercede and help me in all my needs, especially (mention the need).

I will spread my devotion to you through the blessings you grant me.

Bless me to live a life of praise and worship for you, doing good to others, like Jesus who went about doing good.

Amen
